From the Desk of
Governor John Engler

Dear Friends:

This year we have an opportunity to send someone to Washington who has played an instrumental role in the state legislature, working to make Michigan #1. The current Democrat Congressman from northern Michigan is not a part of the team that has helped make Michigan what it is today.

Michigan needs a representative in Washington who will work with us, not against us. We need State Representative Michelle McManus to be the next representative in Congress from Northern Michigan! I have endorsed Michelle's candidacy, and will be actively campaigning on her behalf to insure her victory in November. However, she cannot do this alone. Michelle needs our help now!

So, please join me, and let us show our support for Michelle in her bid to win the First Congressional seat of northern Michigan. I am looking forward to seeing you on Friday, July 10, 1998 at Gene and Betty Miller's house. Thank you for your continued support.

Sincerely,

John Engler
